

*LITENS **MISSION,***
VISION STATEMENT
*AND **QUALITY POLICY***

 — **MISSION STATEMENT**

To provide engineered solutions to allow our customers to build better powertrains.

 — **VISION STATEMENT**

To cultivate an environment that promotes the creation of new products that drive our customers.

 — **QUALITY POLICY**

We are committed to excellence in everything we do.

Goal: Enhance customer satisfaction through:

- meeting or exceeding requirements.
- continually improving the effectiveness of the quality management system to accomplish quality objectives.
